Health and Safety Policy Statement

Statement of Intent

This is the health and safety policy statement of:

Raditech Ltd

Our health and safety policy is to:

- Prevent accidents and cases of work-related ill health
- Manage health and safety risks in our workplace
- Provide clear instructions and information, and adequate training, to ensure employees are competent to do their work
- Provide personal protective equipment
- Consult with our employees on matters affecting their health and safety
- Provide and maintain safe plant and equipment
- Ensure safe handling and use of substances
- Maintain safe healthy working conditions
- Implement emergency procedures, including evacuation in case of fire or other significant incident
- Review and revise this policy regularly
